## MANI FOR A CURE

BENEFITING MISSION CHILDREN'S HOSPITAL

### BRO CORE VALUES

LOYAL  
POSITIVE  
EFFICIENT  
CHARITABLE  
INNOVATIVE  
PROFESSIONAL  
GOAL ORIENTED  
KNOWLEDGEABLE

Welcome to the Spa at Blue Ridge Orthodontics! At BRO, we love to do things a little differently – and (we confess) a little better. Plus we love to give back to our community. In fact, being charitable is one of our core values. The inspiration for our spa services combines these BRO loves and values. We hope you will enjoy our spa pampering even more, knowing that 100% of the profits from your spa services will be donated directly to Mission Children's Hospital. The caring doctors and staff at Mission Children's are an amazing resource for our kids here in Western North Carolina — including many family members of the BRO team. From our families to yours, thank you for helping us in our mission to support Mission Children's!
